GETTING STARTED

- Registration for Classes (*WebSOC, WebReg*)
- Student Billing
- Student Access

WHAT IS A UCInetID?

Your UCInetID is your key to online services at the University of California, Irvine. Many online services, including Webmail, WebReg, EEE, and numerous others, require you to use your UCInetID and password in order to log in.

Your UCInetID is for **your individual use only**. Do not share your password with anyone.

Activate your UCInetID: <http://activate.uci.edu/activate/menu.html>

- You will need your Student ID number (8 digits), date of birth, and the last 4 digits of your Social Security number.

E-MAIL/WEBMAIL

To access your UCI email account, you must first activate your UCInetID. Note that all official notices and emails will be sent to this email address.

- Go to <http://www.uci.edu>, click the “Webmail” link on the right column of the page.
- Login with your UCInetID and password.

E-MAIL ETIQUETTE

Here are some tips on how to use email most effectively to communicate with academic counselors (and many other UCI personnel).

1. **Use your UCI email address** (*for UCI correspondence*). To protect your privacy, many UCI offices will only respond to messages from UCI email accounts.
2. **Identify yourself.** When you send email to an academic counselor, be sure to include your FULL-NAME, your MAJOR, and your UCI ID NUMBER. We need to know who we are talking to in order to give you accurate information.
3. **Be considerate.** Do not send the same question more than one person in an office. There’s no reason for three or four different people to answer a single question!
4. **Check your email regularly.** Lots of important information (some of it essential to your success as a student) will be sent by professors, academic counselors, and other UCI personnel. YOU are responsible for reading any official UCI email sent to your account, and YOU will suffer the consequences if you miss important messages.
5. **Be clear and concise.** Try to keep email messages brief.
6. **Be flexible.** Some advising issues really need to be handled in person. Don’t be offended if we ask you to make an appointment to discuss your questions—we do this to avoid wasting your time and ours with back-and-forth questions and answers that could be handled more quickly in person.
7. **Delete unwanted/old messages.** If you don’t read your UCI email regularly and clear out old messages and spam, your inbox will fill up and important email messages may be returned and undelivered.
8. **Be professional.** Treat emails as a formal communication—don’t use text messaging abbreviations, slang, four-letter words, etc. if you want to be taken seriously. Watch your grammar, spelling, etc.
9. **Be nice.** Keep the tone of your email civil. It’s very easy for us (and your professors) to forward email and to print it off and put it in your file—it is not anonymous. **DO NOT WRITE YOUR EMAIL MESSAGES IN ALL CAPITAL LETTERS.** This is incredibly annoying and is often perceived as being hostile or confrontational.
10. **Be patient.** We’re often very busy and may not be sitting in front of a monitor waiting to hear from you. Sometimes you may get a response immediately, while at other times it may take a few days. If you are really in a hurry to get an answer, drop by or call the office.

Getting Started

SCHEDULE OF CLASSES (WebSOC)

- Schedule of Classes accessible from <http://www.reg.uci.edu>. Available online in Week 6 for the upcoming academic quarter.
- To find:
 - ✓ Major courses: Select appropriate department, then click “Display Web Results”
 - ✓ Breadth courses: Select breadth category, then click “Display Web Results”
- When selecting courses, pay attention to times, dates, and places. Also write down the 5 digit code which you will need to register through WebReg.

When there are different types of courses listed under the “**Typ**” column, you must enroll in one of each type to maintain your enrollment in the course. Note if there is more than one lecture offered, you must select the corresponding co-class to enroll (See picture below).

Note: Section A (Code 70400) lecture and Section A1-A12 (Codes 704001-704002) Discussions. An attempt to enroll in lecture 70400 (Section A) and discussion 70421 (Section B) will Result in the message “**CO CLASS MISMATCH**”. You will be dropped from the class once you log out of WebReg, if you fail to correct the enrollment error.

KEY TERMS

- ✓ **Open:** Class is open to all students who meet the prerequisites (if any)
 - ✓ **Waitlist:** The maximum class enrollment has been reached but students may waitlist the course so that if any currently enrolled student drops the course, the waitlisted students will be automatically enrolled.
 - ✓ **Full:** Enrollment and waitlist positions are full. Student cannot electronically enroll in the course.
 - ✓ **EAD:** Indicates which courses have the “electronic add/drop” option available. If listed, the student may add/drop/change their enrollment online within the first two weeks of the quarter. Beginning Monday of the third week of the quarter, the student must use an add/drop card to make changes with the instructor’s signature/approval. If not listed as EAD, students must use add cards to add/drop/change their enrollment beginning when classes start. If not listed, students must use add cards to add/drop/change their enrollment once classes begin.
- Column Definitions, Building Abbreviations, Restriction Codes, and Campus Map are conveniently located at the bottom of each WebSOC results page.

UCI STUDENTS ENROLL IN CLASSES USING WebReg

- ✓ WebReg is accessible from <http://www.reg.uci.edu>. UCInetID and password required.
- ✓ Use WebReg to enroll in classes and make schedule changes during the registration period and the adjustment period.

Getting Started

- ✓ *WebReg is available from 6:00 AM to 4:00 AM, daily, with occasional down times for special circumstances such as final grade update.*

ENROLLMENT WINDOW (Viewable Monday of Week 7 for upcoming academic quarter)

After logging in with UCInetID and password, you should see this Menu.

Enrollment Menu

- Indicates first time you are allowed to enroll in courses. When your Enrollment Window opens, you have continuous access to the Enrollment Menu for the next 48 hours. After the 48 hours, you may only access WebReg between the hours of 7:00 PM to 7:00 AM.

Fee Status

- Indicates the last day fees are due and whether you have paid them.
- Note if you fail to pay by the deadline, you will be dropped from all of your classes.

List Schedule

- Displays courses currently enrolled in.

- To enroll: Select “Add”, input the 5 digit code from WebSOC, and then click “Send Request.”
- To drop: Select “Drop”, input the 5 digit code from WebSOC, and then click “Send Request.”
- To change grade option/units: Select “Change”, input the 5 digit code from WebSOC and change request, and then click “Send Request.”

Getting Started

- Once changes have been submitted, the system will indicate if further action is needed or if there are any problems. As the following image demonstrates, enrollment in Econ 20A is not complete until the student enrolls in the corresponding discussion section.

Wait List Menu

- When courses have reached the maximum enrollment, students may waitlist the course if the option is indicated on WebSOC. When you add a course on waitlist, you are not enrolled but rather placed on a list of students who will be automatically enrolled if an enrolled student drops the course.
- Similar to the Enrollment Menu, in order to remain waitlisted for a course you must waitlist each type of class offered.
- You will be informed through your UCI email if you are enrolled in the course. Make sure to check your UCI email regularly.

Automatic log off* will result if:

- Exceeding the maximum time (3 minutes of idle time and 12 minutes of activity)
 - Minimizing the window
 - Hitting the <BACK> button
- *An automatic log off may result in a delay in disconnecting WebReg from a record resulting in the message "Student record in use, please try again in a few minutes." If this happens, wait about 3-5 minutes then try again.*

Student Billing System

<https://sbs.adcom.uci.edu/ZotAccount/>

Billing Statements (ZOTBills): Billing statements, called ZOTBills, are produced monthly for accounts that have activity or have balances greater than zero. If your account has a balance due or has had activity, your UCI email account will receive an email message reminding that you can view your most recent monthly bill, your current account information, and pay your bill electronically on ZOT Account Online.

If your account had no activity and the balance due is \$0.00, you will not receive an email, but you can view account information on ZOT Account Online twenty-one hours a day, seven days a week. Your ZOTBill is what you see in the Current Account view on ZOT Account Online.

Contact Campus Billing Services: (949) UCI-BILL (824-2455)

Registration Fees: This is the Registration Fee view you'll see on ZOT Account Online.

The screenshot shows the 'Student Billing System' interface for the University of California, Irvine. The main heading is 'SPRING 2007 Registration Fees : Paid'. A 'Warning' box states: 'Late enrollment penalties apply if you are not enrolled in units by the end of the second week of instruction.' Below this, it says 'Registration fee is based on: Current enrolled units: 0 Units' and 'Minimum amount due to register: \$0.00'. A table titled 'Fee related transactions for SPRING 2007, as of 03/27/07' shows two transactions: 'SPRING 2007 REGISTRATION FEES' for \$2,504.50 and 'SPRING 2007 PACE' for -\$2,504.50. The total is \$0.00. A 'Logout' button is visible in the bottom left.

Trans date	Applied date	Department	Description	Reference	Charge/Debit	Payment/Credit
03/27/07	03/27/07	REGISTRAR	SPRING 2007 REGISTRATION FEES	393350	\$2,504.50	
03/27/07	03/27/07	FIN SVCS	SPRING 2007 PACE	2345678		-\$2,504.50
Total:					\$2,504.50	-\$2,504.50
Minimum amount due to register:					\$0.00	

Payment Instructions: The Amount Due on the ZOTBill is the minimum payment amount required. Payments can be made electronically from your ZOT Account Online, or by check or money order drawn on U.S. funds and made payable to the REGENTS OF THE UNIVERSITY OF CALIFORNIA or UC REGENTS. Payment must be received by the Cashier by the due date to avoid late charges and other potential consequences.

Contact Central Cashier: (949) 824-6916

PACE Payment Plan (Installment Payments): The PACE Plan spreads the costs of registration into three monthly payments over the length of the quarter. A student must apply for and activate a new PACE Plan Agreement each quarter. The Plan is activated when the Central Cashier processes the first installment payment (including the non-refundable participation fee), no later than the applicable registration fee deadline. Until then the current PACE application can be cancelled without penalty.

Each student participant must apply quarterly from ZOT Account Online and must agree to abide by the PACE Terms and Conditions in order to join and remain in the program.

Student Billing System

<https://sbs.adcom.uci.edu/ZotAccount/>

Registration and Enrollment: Registration fee payment, either electronically or by check or money order along with a payment stub from your ZOT Account Online, must be received by the Central Cashier by 4:30 P.M. Pacific time, on or before the fee deadline date. If the full amount of registration fees is covered by financial aid or a combination of aid and waivers, and you have enrolled in the Minimum Required Units (MRU), your fees will be paid automatically. If you have partial fee coverage, submit the amount due to the Central Cashier. Failure to meet the fee payment deadline will cause classes added via WebReg to be dropped and late service charges to be assessed.

For New Students

Holds on New Students' Records: A "hold" is placed on your registration if you are a newly admitted student and the Office of Admissions and Relations with Schools (OARS) has not received the requested documents to verify your conditions of admission stated in your *Transfer Conditions* (mailed to you with your admissions letter). Requested documents may include official high school transcripts, official transcripts from any college course work, official test scores (SAT I or ACT, SAT II), and official Advanced Placement (AP) and/or International Baccalaureate Higher Level (IB) exam scores. To check the status of sent documents and to see what specific documents OARS still needs, go to Admissions and Relations with Schools and log on to MyAdmissionsApplication@UCI. Click on "MyTests" and "MySchools."

A "hold" on your record may prevent you from registering. If you have already enrolled, then the hold may drop you from your courses if you do not resolve the hold. Your admission to UC Irvine is subject to cancellation if OARS does not receive the requested official documents or if any information you submitted on your UC application does not agree with the official documents you submit.

Contact Admissions and Relations with Schools: (949) 824-6703

For Students with Aid

Financial Aid

As soon as you have enrolled in your Minimum Required Units (MRU) and satisfied any conditions noted on your ZOT Account, your aid will be applied to your fees to pay them automatically. The MRU for payment of fees is 6 units for financial aid. It is your responsibility to comply with all terms of the financial aid award before funds can be disbursed. In order to receive financial aid, students are required to pay all University debts, submit all required documents (including on-line entrance counseling materials), and enroll in the MRU. After registration fees and other University obligations are paid, remaining aid will be electronically deposited or mailed, as you designated with the Office of Financial Aid and Scholarships, beginning the first day of the quarter.

Contact: Office of Financial Aid and Scholarships: (949) 824-6261

Health Insurance

Undergraduate Student Health Insurance.

As required by the UC Regents, all undergraduate students are assessed for health insurance as part of their student fees. If you have comparable, verifiable health insurance, you may apply for an exemption (waiver) of this fee using an electronic form available on ZOT Account Online. All waiver applications are handled through ZOT Account Online and instructions are provided. Waivers are due the Friday preceding the fee payment deadline. Additional information on the waiver process is available from the Student Health Center.

Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses prospective transfer students attending California community colleges may complete to satisfy the lower division breadth/general education requirements at both the University of California and the California State University. It was developed to simplify the transfer process for students.

If you choose to follow IGETC, you must complete it before you transfer to UC; otherwise you will be required to satisfy the specific lower division general education requirements of the college or school at the UC campus you attend. All IGETC coursework does not have to be completed at the same college. Courses taken at more than one California community college may be used to fulfill IGETC. However, application of courses to IGETC subject areas may vary from college to college. Always refer to your community college advisors regarding IGETC.

IGETC is not an admissions requirement therefore not all transfer students have received IGETC. An Associate's Degree is NOT equivalent to IGETC.

Students who have completed UC IGETC must request to have an official, sealed copy of the IGETC certification sent to SSUGCO. Note that at some community colleges, UC IGETC is noted on the transcript while for others, it is a separate form that must be specifically requested (please check with the community college).

If the student has not completed IGETC requirements, the student must refer to the community college to determine if it is possible to complete IGETC after transferring to UCI. If possible and appropriate, the student should complete the remaining requirements and the School of Social Sciences will honor the IGETC. If not possible, the student should try to be evaluated for partial UC IGETC by the community college. Upon receiving it, the student would then petition to be allowed to use it towards their UCI breadth requirements (Note this is only approved in special circumstances).

If IGETC cannot be awarded, it is highly recommended that the student schedule an appointment with an academic counselor to be evaluated for missing UCI breadth requirements as soon as possible.

IGETC requirements does not satisfy:

- Upper division writing (Category I)
- School of Social Sciences Requirements
 - ✓ Math requirements
 - ✓ Computer Science requirements

Breadth & General Education

(Please refer to General Catalogue for complete list of courses)

*Satisfied by UC Intersegmental General Education Transfer Curriculum (IGETC)

I. Writing

(2 lower-division* and 1 upper-division course)

- Must complete lower division writing before 7th quarter at UCI.
- Must pass the UC Analytical Writing exam before enrolling in courses.
- Courses for writing must be completed with a minimum grade of “C” or better.

NOTE: ALL STUDENTS NEED TO COMPLETE THEIR UPPER DIVISION WRITING REQUIREMENT. IGETC DOES NOT SATISFY THIS REQUIREMENT.

II. Natural Sciences (3 courses*)

- Must select and complete one area only
- Courses can be taken for grade or Pass/No Pass

III. Social and Behavioral Sciences (3 courses*)

- Satisfied by majoring in the School of Social Sciences

IV. Humanistic Inquiry (3 courses*)

- Must select and complete one series only
- Courses can be taken for grade or Pass/No Pass

V. Mathematics and Symbolic Systems (3 courses)

- Completed by Social Sciences Math Requirement (Please refer to pg. 13)

VI. Language Other Than English (up to 3 courses*)

Can be met prior to UCI entrance by:

- 3 years of Foreign Language in high school (must have “C” average in the last year).
- AP score of 3, 4 or 5 in a language other than English
- SAT II score of 570 or better (500 or better in Modern Hebrew)

At UCI, can be satisfied by:

- UCI Exemption Exam
- Satisfaction of the 1C level of a language other than English
- EAP approved course of study

NOTE: Chicano/Latino Studies majors must take Spanish 2A and International Studies majors must complete the 2B level of one language other than English for a letter grade.

VII-A. Multicultural Studies (1 course*)

VII-B. International/Global Issues (2 courses*)

- Category VII-B may also be satisfied by EAP courses, 2A level of a foreign language (4th year in high school, AP score of 4 or 5, or SAT II of 620 or better)

Courses Approved

for Breadth Requirements

I. WRITING REQUIREMENTS

Because of the importance of writing in every academic discipline, the University is committed to developing the writing skills of its students at all levels and in all areas. The Writing Requirement expresses this commitment, but the concern for and attention to clear, accurate writing is expected in all courses.

The UCI Writing Requirement consists of three courses beyond the UC Entry Level Writing Requirement. Except where otherwise noted below, students must satisfy the UC Requirement *prior* to fulfilling the UCI Writing Requirement.

Two of the three courses required must be lower-division courses. Students who have not completed the lower-division writing requirement before the beginning of their seventh quarter at UCI will be subject to probation. Students transferring to UCI normally should have satisfied the lower-division writing requirement before entering UCI; if, however, they have not, they must complete it within their first three quarters of enrollment or they will be subject to probation. Academic English/English as a Second Language students must complete the lower-division writing requirement before the beginning of the seventh quarter following the completion of their AE/ESL courses or they will be subject to probation.

The third course must be an upper-division writing course, and it must be taken only after the successful completion of the lower-division requirement.

Students enrolled at UCI may take only UCI courses in satisfaction of the lower-division and upper-division writing requirements. Continuing UCI students may not take summer courses at another institution to satisfy lower-division or upper-division writing requirements.

Lower-Division Requirement: The two courses taken to fulfill the lower-division requirement must be completed with a minimum grade of C (or a Pass or Credit grade equivalent to C). Students may select from the courses specified below:

1. English WR 39B (Critical Reading and Rhetoric) and WR 39C (Argument and Research).
2. English WR 37 (Intensive Writing) and WR 39C (Argument and Research). Recommended students only.
3. Two quarters of the writing component of the Humanities Core Course (Humanities 1A-B-C) beyond satisfaction of the UC Entry Level Writing requirement. NOTE: Students held for UC Entry Level Writing requirement and enrolled in the Humanities Core Course must enroll in a section of the Core Course designated S/A during their first quarter. Successful completion of the writing component of these sections of this course with a letter grade of C or better will satisfy the UC Entry Level Writing requirement. (The Pass/Not Pass grade option may not be used to satisfy it.) For these students, the lower-division writing requirement may be satisfied only in the second and third quarters of the Humanities Core Course. Students who do not receive a C or better in Humanities 1A S/A in fall quarter and continue to be held for UC Entry Level Writing must enroll in Humanities 1B S/A during the winter quarter and satisfy the requirement by earning a letter grade of C or better. The lower-division writing requirement will be

satisfied in the second and third quarters of the Humanities Core Course for these students.

4. Students who complete English WR 37 or WR 39B with a grade of B (3.0) or better may substitute as the second course of the lower-division writing requirement one of the following courses in creative writing or nonfiction and journalism: English WR 30, WR 31, or WR 38.
5. English WR 39B and completion of a First-Year Integrated Program (FIP) sequence, with a grade of C (or Pass) or better in the third quarter of the sequence.

Upper-Division Requirement: The course taken to fulfill the upper-division requirement must be completed with a minimum grade of C (or a Pass or Credit grade equivalent to C). The requirement may be satisfied by completing any one of the following:

1. An upper-division course designated on a list of approved courses in the quarterly *WebSOC, Searchable Schedule of Classes* (<http://www.reg.uci.edu>) as approved for satisfaction of the requirement. NOTE: All courses approved to fulfill the upper-division writing requirement should have a “W” suffix. Students are encouraged to consult the *Schedule of Classes* or their advisor to determine the current upper-division writing requirement course offerings. If a course on the approved list is offered without the “W” suffix, it does not satisfy the upper-division writing requirement.
2. English WR 139W.
3. English WR 109, WR 110, WR 111, or WR 113. Consent of instructor is required. Students may not use such a course to satisfy the requirement unless they have attained a B or better in both courses taken to satisfy the lower-division writing requirement.

Students who fail to attain the required grades in the courses taken in fulfillment of the writing requirement should refer to the Academic Regulations and Procedures section of the 2007-2008 UCI General Catalogue for further information.

- B. Credit for three years of high school study or its equivalent in a single language other than English with a C average or better in the third year.
- C. A score of 3, 4 or 5 on a College Board Advanced Placement Examination in a language other than English.
- D. A score of 570 or better on College Board SAT Subject Test in a language other than English, with the exception of the test in Modern Hebrew for which a score of 500 or better is required.
- E. Completion of an approved course of study through the Education Abroad Program (EAP). Careful planning is required to ensure that this requirement is fulfilled. Check with an EAP counselor at the Center for International Education to determine the programs in countries that fulfill this requirement.
- F. The equivalent as determined by an appropriate and available means of evaluation. For information on availability of such examinations and testing schedules, consult the UCI Academic Testing Center, 3040 Anteater Instruction and Research Building, (949) 824-6207. If an appropriate means of evaluating competence in a non-English language of instruction does not exist, satisfactory completion, with a C average or better, of one year of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English will meet the requirement. Appropriate documentation must be presented to substantiate that the course work was completed.

VI. LANGUAGE OTHER THAN ENGLISH.

Students must demonstrate competency in a language other than English by completing one of the following options:

- A. College-level course work equivalent to UCI's third quarter of study in a language other than English. UCI courses approved to satisfy this requirement are:

One of the following fourth-quarter language options:

- A. Arabic 2A, S2AB; Chinese 2A; French 2A, S2AB; German 2A, S2AB; Greek 100A, 100B; Italian 2A; Japanese 2A, S2AB; Korean 2A; Latin 100A, 100B; Persian 2A, S2AB; Portuguese 2A, 120A; Russian 2A; Spanish 2A, 2AB, 2BZ, 2MD, 2NS, S2AB, 5; Vietnamese 2A.
- B. Credit for four years of high school study or its equivalent in a single language other than English with a C average or better in the fourth year.
- C. A score of 4 or 5 on a College Board Advanced Placement Examination in a language other than English. **NOTE:** This fulfills the two-course category VII-B requirement.
- D. A score of 620 or better on College Board SAT Subject Test in a language other than English, with the exception of the test in Modern Hebrew for which a score of 540 or better is required.
- E. The equivalent as determined by an appropriate and available means of evaluation. For information on availability of such examinations and testing schedules, consult the **UCI Academic Testing Center, 3040 Anteater Instruction and Research Building, (949) 824-6207**. If an appropriate means of evaluating competence in a non-English language of instruction does not exist, satisfactory completion, with a C average or better, of two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English will meet the requirement. Appropriate documentation must be presented to substantiate that the course work was completed.

Anthropology

 <http://www.anthro.uci.edu>

Emphasis on sociocultural anthropology: In contrast to the four fields of the discipline (generally taken to be sociocultural anthropology, archaeology, anthropological linguistics and physical anthropology) our focus is on sociocultural anthropology.

Interdisciplinary: Our program emphasizes a wide network of interdisciplinary collaborations and connections, within the School of Social Sciences, across the University, as well as in the wider world. Department faculty members maintain links to Economics, Sociology, Political Science, and the School of Social Ecology at UCI. Many of our faculty are centrally involved in Women's Studies, International Studies, Critical Theory, Latin American Studies, Religious Studies, History, Asian American Studies, the Center for Research on Latinos in a Global Society, the Institute for Mathematical Behavioral Sciences, and Global Peace and Conflict Studies, often serving as core faculty in these programs. Our graduate students similarly pursue graduate emphases in a variety of such fields.

Anthropology Honors Program: The Honors Program in Anthropology is designed to allow undergraduates to pursue field research and write an honors thesis on topics of their choice under the guidance of Department faculty members. Research projects typically involve a combination of library research, exploratory ethnographic interviews, participatory observation, and systemic data collection and analysis. Although course work does not start until the senior year, it is highly recommended that during the spring quarter of the junior year, students find a professor willing to serve as their research project advisor on the basis of a mutually acceptable abstract that indicates the goal and significance of their project.

- Students formally apply to the Honors Program at the end of the junior year or beginning of the senior year. Application available online and should be submitted to Norma Miranda in SSPB 4229. See Anthropology website for current deadlines (<http://www.anthro.uci.edu>).
- Must meet minimum GPA requirements (3.50 Anthropology GPA and 3.30 overall GPA).

The selection of a faculty advisor in Anthropology is required. Faculty member must be a full time regular faculty member in Anthropology and must sign the honors application.

Anthropology Certificate Program: To help provide more focused undergraduate training in Anthropology with real-world applications, the Department of Anthropology offers five certificate programs to undergraduate Anthropology majors, and one certificate program (Ethnomusicology) to all undergraduates. Each is designed to complement a student's other coursework for the major, while providing expertise in a specific area of anthropological inquiry. Please consult the application forms for each certificate program for more information (available outside of Norma Miranda's office, SSPB 4229).

Chicano/Latino Studies is an interdisciplinary program designed to provide undergraduate students with an opportunity to examine the historical and contemporary experiences of Americans of Latin American origin. The program offers both a B.A. degree and a minor.

The Curriculum seeks to provide an awareness, knowledge, and appreciation of the language, history, culture, literature, sociology, anthropology, politics, social ecology, health, medicine, and creative (art, dance, drama, film, music) accomplishments in Chicano/Latino communities.

Sample Courses: Ethnic and Immigrant America, Latinos in a Global Society, Chicano Literature, Music of Greater Mexico, Latinos and the Law, Race and Citizenship in America, Chicano/Latino Psychology

Career Opportunities: Include national and international organizations which seek knowledge of American multicultural society in general, and of Chicano/Latino cultures in particular.

- Area specialists with state and federal government agencies or private sector organizations
- Positions of service and leadership within Chicano/ Latino communities such as education, human services, law, health fields, journalism, and public policy.

Center for Research on Latinos in a Global Society (CRLGS): Conducts interdisciplinary research in Chicano/Latino Studies to examine the emerging role of Latinos as actors in economic, political, and cultural events.

- The Center has hosted a research colloquia series, published a series of working papers, provided grants for graduate and undergraduate students, and coordinated a series of focused research groups of faculty and graduate students.
- Over the next several years, CRLGS research projects will assess the political and social incorporation of Latinos in Orange County and measure community attitudes towards resources and barriers.

Scholarship Opportunities: Visit <http://www.socsci.uci.edu/clstudies/scholarships.html> for current list

- The Jeff Garcilazo Fellowship/Scholarship Fund provides scholarships for current UCI students.
- The Hispanic Scholarship Fund (HSF) awards scholarships annually to students enrolled in and attending an accredited college full-time from the fall through the spring (or summer) terms.

In House Library Collection: Located in Social Science Tower (SST) 383, contains books, CDs, DVDs, journals, and working papers.

Chicano/Latino Honors Program: The Honors Program in Chicano/Latino Studies is designed to allow students to pursue field research and write an honors thesis on topics of their choice under the guidance of Chicano/Latino Studies faculty members. Research projects typically involve a combination of library research and field research. Although coursework does not start until the senior year, it is highly recommended that during the spring quarter of the junior year, students find a professor willing to serve as their research project advisor on the basis of a mutually acceptable abstract that indicates the goal and significance of their project. Open to all seniors with at least a 3.30 overall GPA and a 3.50 GPA in Chicano/Latino Studies coursework (at least 5 courses). For further information, visit SST 383 or contact Ramón Muñoz in SST 370D or at rrmunoz@uci.edu.

Economics: The study of choice with respect to scarcity of resources, goods and services.

Effective Fall 2006, students may pursue one of three Economics majors: Economics, Business Economics, and Quantitative Economics. The educational orientation and curriculum for each major will vary slightly so consult the UCI General Catalogue for more details.

Economics: This major stresses the institution underlying individual and group behavior, methods for analyzing information, and applications to the real world.

Business Economics: This major provides a rigorous foundation for business, management, accounting, financial, and economic theory.

Quantitative Economics: This major prepares students for quantitative careers in finance and business, and also for graduate and professional studies in the social sciences.

Sample Courses: Corporate Finance, Economic Analysis of Government Behavior, Economics of Law, Labor Economics and Human Resources, Money and Banking, International Money, Developmental Economics

Career Opportunities: Potential career options for Economics majors include purchasing and sales, financial analysis, banking, management, advertising, public relations and systems analysis.

Omicron Delta Epsilon: National Honor Society for Economics majors. Entrance into this organization is based on an application (available from the Department of Economics).

Economics Honors Program: (Visit SSPB 3223)

Undergraduates in any of the three Economics may complete the Honors Program in Economics. The Program provides outstanding students with the opportunity to pursue a year-long research project on topics of their choice, under faculty supervision. Open to all seniors with at least a 3.20 overall GPA and a 3.40 GPA in all Economics coursework. Students having met minimum GPA requirements should apply at the end of their junior year. During their senior year, students participate in a two-quarter seminar sequence, which emphasizes the skills of creative thinking, independent analysis, problem solving, writing, and communication. The centerpiece of the sequence will be the completion of an independent research project: the honors thesis. Those students completing the requirements of the program successfully will graduate with departmental honors.

International Issues and Economics Specialization: Intended to provide students with an international scope with respect to their educational pursuits within Economics. Interested students will need to apply for the specialization no later than the end of their junior year. Application forms available in the Economics Department Office, SSPB 3229.

This check is for INFORMATIONAL PURPOSES ONLY. Please refer to the UCI General Catalogue.

Specialization in International Issues and Economics

Students in any of the three Economics majors may complete the specialization in “International Issues and Economics.” Admission to the specialization requires advance approval by the Economics Department. Students interested in pursuing the specialization must complete an application available from the Department office (SSPB 3223) after the completion of Econ 20A-B. The application must be filed NO LATER than the end of junior year.

Requirements for the Specialization:

A. International Studies Lower-Division Core Courses:

_____ IntlSt 11 Origins of Global Interdependence

_____ IntlSt 12 Global Issues and Institutions

_____ IntlSt 13 Global Economy (same as Econ 13)

B. THREE International Economics elective courses chosen from:

Economics 148I-J-K, 161B-C, 162A, 163, 164A, and 169

C. THREE International Breadth electives (only ONE may be lower-division) chosen from:

Int'l Studies 111A, 112A, 120, 121, 122, 123, 179; Political Science 141A, B, C, D, 143D, 143E; Environmental Analysis & Design E100 (when topic is Int'l Environmental Issues); History 21A, B, C, 101

**Additional courses may be added--for up-to-date information check: <http://www.economics.uci.edu/>

NOTE: *NO MORE THAN 2 courses may overlap between the major and the specialization requirements.

*Students pursuing this specialization MAY NOT double major in International Studies.

*The Department encourages students to take the electives for this specialization while studying in the Education Abroad Program (EAP): <http://www.cie.uci.edu/> (SSII 1100; 824-6343).

Honors Program in Economics

Students in any of the three Economics majors may complete the Honors Program in Economics. Applications are available at the Economics Department office (SSPB 3223).

Admission Requirements:

- 3.4 GPA or better in upper-division Economics courses
- 3.2 GPA or better cumulative
- Undergraduates seeking admission to the program must apply no later than the spring quarter of their junior year. Applicants must have the Director of Undergraduate Studies sign the application form.

Requirements for the Honors Economics:

Students in the Honors Economics Program must complete an honors thesis during the two-quarter Economics Honors Colloquium:

_____ Economics H190A

_____ Economics H190B

Completion of the program will satisfy the upper-division writing requirement.

International Studies

<http://internationalstudies.uci.edu>

International Studies is an interdisciplinary program dedicated to promoting student, and public understanding of current international affairs. The program offers a major in International Studies and a minor in Conflict Resolution, a public forum series for discussion of current international issues.

Sample Courses: International Business, Economic Anthropology, Comparative International Migration, Korean History

The major in International Studies provides:

- Interdisciplinary perspectives on global issues and institutions, societies and cultures, conflict and negotiation, and the global role of the U.S. and California
- Twenty-first-century analytical skills and knowledge for understanding and contributing to shaping the rapidly evolving global community
- Preparation in a variety of fields, such as international affairs and public policy, international business and finance, international organizations, and academic research and teaching

Academic Theme House in Arroyo Vista: The International Peace and Conflict Studies (IPACS) House is an extension of the academic major in International Studies and the Minor in Conflict Resolution. Priority is given to applicants from the major and the minor. Other students are also welcome who are interested in international affairs and issues of conflict and cooperation. Activities at the House include receptions for International Studies guest lecturers, social gatherings with faculty and students, film showings, discussion groups, and field trips. Residents are required to participate for a minimum of two quarters per year in SS184D, *Current Topics in International Studies*. The course is 2 units, pass/no pass, and meets on Thursdays, 6:00PM-7:20PM

International Studies Honors Program: (Visit Ramón Muñoz in SST 370D)

In this program, majors in International Studies engage in research leading to the completion of an honors thesis. Students choose their research topics in consultation with a faculty advisor, and should reflect a theme consistent with the student's module in the International Studies major. Honors students must also complete two courses beyond the 2A level in language, literature, or culture taught in their chosen international language. Open to junior and senior majors in International Studies with an overall grade point average of 3.0 and a 3.5 in the major. Students formally apply at the end of the junior year.

Political Science

<http://www.polisci.uci.edu>

Curriculum organized into 5 areas: American Politics and Society, Political Theory, International Relations, Comparative Politics, and Political Behavior

Sample Courses: The American Presidency, Intro to Law, Nuclear Arms and Global Conflicts, Human Rights, Politics of Protest

Faculty Research Areas include: democratization of societies, international cooperation and peace, the politics of racial and minority groups and ethnicity, political psychology, political economy/public choice & methodology, American politics

Political Science Honors Program: <http://www.polisci.uci.edu/honorsprogram.htm> (Visit SSPB 5223)

Students in the Honors Program in Political Science write a thesis on a year-long research project, with the advice of a Political Science faculty member. They receive departmental honors at graduation. Open to juniors and seniors who meet minimum academic qualifications (3.50 political science GPA and 3.20 cumulative GPA; Courses taken elsewhere by transfer students count towards the GPA for purposes of entering the honors program even though these courses do not count towards the official cumulative UC GPA.) Students should apply in the spring of their junior year, should have taken a course with their advisor and should meet minimum GPA requirements. During the senior year, students enroll in the honors thesis workshop and in three quarters of independent thesis research.

Clubs and Organizations

- Model United Nations: focuses on developing an understanding of current international issues and relations. Participate in local and national Model UN assemblies and a simulated UN Security Council session during spring
- The Law Forum: Study modern law through combination on special courses, guest lectures by practicing attorneys and distinguished UCI faculty, and legal research/internships
- Pi Sigma Alpha: National Political Science Honor Society
- The Pre-law Society Club
- Mock Trial

Other Opportunities and Resources

- **EAP:** Education Abroad Program: earn course credit in another country. Visit the Center for International Education website at <http://www.cie.uci.edu/>
- **UCDC:** Complete courses, a government, or a non-government internship in Washington DC! For more info, visit: <http://www.dccenter.uci.edu/>
- **Public Affairs Theme House (PATH)** in Arroyo Vista
- **Public Affairs Internship Program:** matches students' interests with political internship opportunities in the Orange County area

The major in Psychology provides: A strong foundation in general psychology and provides a suitable background for postgraduate training and careers in all branches of psychology.

Psychology Honors Program: <http://www.cogsci.uci.edu/undergraduates.php> (Visit SSPB 3221)

The Honors Program in Psychology provides thorough grounding in research methods and culminates with the opportunity for basic research in an area of psychology under faculty supervision. The program seems to attract outstanding students who plan to undertake postgraduate education in a field of the psychological sciences.

A 2-year program open to junior and senior Psychology majors with a GPA of 3.5 in psychology courses taken and an overall GPA of 3.2. Students who plan on graduating in 4 years apply at the end of their 2nd year while students taking 5 years usually apply at the end of their 3rd year.

Psychology Theme House in Arroyo Vista: Provides academic, social, and informal functions for students who share an interest in Psychology. Residents are given the chance to participate in workshops and listen to guest speakers throughout the school year.

Research Laboratories: <http://www.cogsci.uci.edu/researchWebsites.php>

Labs are run by Psychology professors performing research in their area of interest

Sociology

 <http://www.sociology.uci.edu>

Sociology studies patterns of relationships among people, how behavior is shaped by these patterns of relationships, and how conflicts and cooperation among groups affect social structure and effect social change. All students are required to complete introductory and core Sociology courses, statistics, theory, and research methods.

Sample Courses: Sociology and Religion, Marriage and Families, Sociology of Age, Medical Sociology

Faculty Research Areas include: work and family of immigrants to the United States, economic changes in Asia, the relation between men and women in different social classes and ethnic groups, attitudes to sexual behavior.

Certificates: The UCI Sociology Department offers undergraduate Sociology Majors the opportunity to earn up to four departmental certificates. Each certificate recognizes successful completion of a focused course of study in one of four areas. Please contact Kasey Ning in SSPB 4221 for more information. For descriptions, visit: <http://www.sociology.uci.edu/html/cert.html>

Sociology Honors Program: <http://www.sociology.uci.edu/html/honors.html> (Visit SSPB 4215)

In the Honors Program in Sociology, students write a thesis, designed and carried out under faculty supervision. Projects normally entail an empirical analysis of sociological data. Students meet regularly in a two-quarter honors seminar to design and carry out these projects, to exchange ideas, and to help analyze each other's work. In addition, students attend sociology guest lectures and subsequent meetings to discuss relevant sociological issues.

- The Honors Program in Sociology is open to outstanding Sociology majors during their junior and senior year. To gain admission to the program, potential Honors students normally take Sociology courses in theory (Sociology 120), methods (Sociology 110), statistics (Sociology 10A-B-C) and at least two Sociology core courses. Students who receive an average grade of 3.50 or better in these courses are eligible for the Honors program. In addition, Honors students should have an average of 3.20 or better in all courses taken at UCI. Transfer students may petition for entry into the program based on grades earned from previous institutions.

The major in Social Science allows students to investigate concepts and issues in modern society through an interdisciplinary approach. Using the content of all social science disciplines, students will develop analytical and research skills to think about social issues and to apply them to the real world.

MAJOR CONTACT INFORMATION

For further information contact the Social Sciences Undergraduate Counseling Office

Offices: Social Science Tower 370D

Phone: (949) 824-6803

Students will choose one of the four specializations by their third year to guide their upper-division coursework.

Specializations:

- **Multicultural Studies**—examines the role that ethnic and cultural diversity in the economics, politics, and culture of California and the United States.
- **Public and Community Service**—offers students an opportunity to learn about public and community issues by working in designated community agencies and government organizations.
- **Research and Social Policy**—a more in-depth understanding of social science research and methodologies that will prepare students for graduate or professional programs.
- **Social Sciences for Secondary School Education**—helps to prepare students for teaching at the elementary or high school levels and includes a State-certified subject matter program in social sciences for teaching in California secondary schools.

Career Outlook: Include working in one or more specialties, such as social organization, stratification, and mobility; racial and ethnic relations; education, family; social psychology; urban, rural, political, and comparative sociology; demography; gerontology; and sociological practice.

Related Resources:

Farm School: Is an experimental elementary school located on the UCI campus that serves as a research facility for faculty and students having interests in children and how they learn.

Center for Learning through the Arts: Conducts research through studying the nexus of relationships between arts education, aspects of cognitive and social development, and public policy formation.

Social Science Honors Program (Visit SST 370D)

Students in the Honors Program in Social Science engage in research leading to the completion of an honors thesis. The topic is selected in consultation with a faculty advisor. The program is composed of three four-unit courses designed to teach students research methods and background. Students apply during the spring quarter of the junior year or the summer prior to their senior year.

PUBLIC & COMMUNITY SERVICE: This program integrates academic learning with community and governmental activities. It offers students an opportunity to learn about public and community issues by working in community agencies and gov't organizations and to apply academic theories and analytical skills to the solution of real-world problems.

This program broadens students' UCI experience by exposing them to the "real world" and provides opportunities to conduct research on social issues. Students gain a more realistic perspective of society, greater self-knowledge, and increased leadership skills. The curriculum emphasizes urban contexts & multicultural issues, as well as historical, social, economical, and global perspectives.

STRATEGIES: These are a few suggestions to *prepare* you in order to successfully enter the world of work:

- 1) Obtain an internship or volunteer position in your field of interest to gain experience and skills.
- 2) Get involved in campus clubs and organizations to develop leadership abilities and expand your network.
- 3) Attain research experience with a professor or department on campus for desired field.
- 4) Research occupations to find out education requirements, desired skills, salary, outlook and related jobs.
- 5) Maintain good a GPA and develop strong personal recommendations with supervisors and professors.
- 6) Become familiar with the hiring practices for your industry of interest.
- 7) Take specific classes, or add a minor, to specialize and advance your skills.
- 8) Get a full or part-time job to gain time management and customer service skills and responsibility.
- 9) Prepare for graduate school (if necessary) by researching schools and taking the required admissions tests (i.e. GRE, GMAT, LSAT, etc).
- 10) Visit the UCI Career Center to learn about choosing/changing your major, the job search process, selecting and applying to graduate school, internship opportunities, interviewing, and resume writing. Information available online (<http://www.career.uci.edu>) and in the UCI Career Center Library (100 Student Services I).

Change of Major Requirements

How do I change/declare/add my major?

You may change/declare/add your major once the quarter has started. However, each School on campus has specific policies and requirements regarding change of majors. It is in your best interest to inquire **early** as to these requirements. Academic Counselors and Peer Academic Advisors in each school will be able to assist you in this area.

Anthropology, Chicano/Latino Studies, International Studies, Political Science, and Social Science (general)

How many courses can I overlap if I am a double major or have a minor?

- Double majors within the School of Social Sciences: 2 introductory level lower division courses
- Major in the School of Social Sciences and a minor from another school: 2 courses
- Major and a minor in the School of Social Sciences: **NO OVERLAP.**

Minors / Certificates

MINORS

A minor consists of a coordinated set of courses (seven or more) which together take a student well beyond the introductory level in an academic field, subject matter, and/or discipline but which are not sufficient to constitute a major. An interdisciplinary minor consists of courses offered by two or more departments, schools, or programs. Generally, all minors are available to all students, with the following exceptions: (1) students may not minor in their major, and (2) students may not complete certain other major/minor combinations that are expressly prohibited, as noted in the *Catalogue*. Minors are listed on a student's transcript but not on the baccalaureate diploma. If interested, students should contact the School that houses the minor.

CERTIFICATES

Chicano/Latino Studies: The Department of Chicano/Latino Studies offers the opportunity to earn up to three Departmental certificates. Each certificate recognizes successful completion of a focused course of study in one of three areas. Applications and notices of designated University or Departmental events, seminars, and colloquia pertaining to each certificate will be posted on the undergraduate bulletin board on the 3rd floor of Social Science Tower (outside of Social Science Tower 383) and online. The certificate program is available to all majors. For more information on the department's certificate program, please contact Ramón Muñoz at rrmunoz@uci.edu.

- Chicano/Latino Community in a Global Context

Certificates / Transfer Units

Certificate of Middle East Studies (Interdisciplinary certificate)

Offered through the Middle East Studies Student Initiative, the certificate offers students the opportunity to develop further understanding for the region. Please contact Dr. Lina Kreidie in 3151 Social Science Plaza A for more information or visit the website at <http://clubs.uci.edu/messi/programs.html>.

Transfer Units

To receive credit or units for coursework completed outside of UCI, student must submit official sealed copies of the transcripts or records to UCI Admissions or the SSUGCO. The following includes some tools to determine how coursework may transfer.

ASSIST (<http://www.assist.org>)

ASSIST is an online student-transfer information system that shows how course credits earned at California community colleges can be applied when transferred to the University of California, Irvine. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

Steps:

1. Go to www.assist.org.
2. Select your community college from a list of colleges and select a catalogue year.
3. Select "University of California, Irvine".
4. Find courses
 - a. For lower division courses in your major, select your major.
 - b. For Breadth/General Education requirements, select "General Education/Breadth"

This website only lists which courses can be transferred if offered. Students must still refer to the community college's website to find course schedules. Upon completion of the courses, students should request to have an official sealed copy of the transcript sent to UCI Admissions or the SSUGCO.

Courses taken at community colleges can only transfer units and subject credit. Community colleges only offer lower division courses, so all upper division courses must be taken at four year universities. Note that all math courses and major courses must be taken for grades. Refer to "Transcript Notations" for information about unauthorized repeats (pg. 64).

For UC transferable courses, 1 semester unit is equivalent to 1.5 UC quarter units

School of Social Sciences Policies

Whom do I speak with?

It depends on what you need! The School of Social Sciences does not assign specific advisors. We have Academic Counselors, and Peer Academic Advisors.

Front Desk (Walk-In)- forms regarding excess unit requests, course authorizations, change of majors, post-quarter add/drop/changes, part-time student applications, appointments with Academic Counselors. If unsure, they also can direct you to the correct person.

Peer Academic Advisors (Walk-In)- questions regarding unofficial degree checks, class schedules (breadth, school, major requirements), change of major process, petitions, and application to graduate.

- To talk to an Peer Academic Advisor you may come in during office hours for walk-in advising.

Academic Counselors (Appointment/Walk-In)- official graduation degree check, petitions, academic contracts or if you have any sort of IGETC related questions.

- Appointments with Academic Counselors are scheduled for students who are majors in the School of Social Sciences. To schedule an appointment with an Academic Counselor please call (949) 824-6803.

Study Abroad Advising:

- Prospective Education Abroad Program (EAP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. Bring the course descriptions to have your courses evaluated once you have chosen one specific program.
- Prospective International Opportunities Program (IOP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. Bring the course descriptions to have your courses evaluated once you have chosen one specific program. The IOP Advance Contract must be evaluated by UCI Admissions **before** our office can evaluate the courses.
- EAP/IOP Returner- Call (949) 824-6803 to schedule an appointment with an EAP/IOP Academic Counselor once grades have been posted on your UCI transcript (for EAP students) or official transcripts have been received (for IOP students). Make sure to bring course syllabi to the appointment.

ACADEMIC PROBATION/CONTRACT

What are Academic Probation and Academic Contract?

Good academic standing at UCI is maintaining quarterly and cumulative grade point averages (GPA) of at least 2.00. If either GPA falls below 2.00, the student should contact the Social Sciences Undergraduate Counseling Office as soon as possible to determine their status and whether action is necessary to avoid disqualification. The two main phases before disqualification are Academic Probation and Academic Contract.

Academic Probation

When a student's quarterly GPA falls below 2.00 but their UC cumulative GPA is still above 2.00, the student is placed on Academic Probation. No action is taken but this serves as a warning.

Academic Contract: There are two situations which place a student on academic contract.

- Two consecutive quarterly GPAs below 2.00
- UC cumulative GPA below 1.50

School of Social Sciences Policies

An email will be sent to you regarding your Academic Contract. Do not ignore the email. It will serve as your contract if you do not come into the SSUGCO to see an Academic Counselor. If you have any questions or would like to discuss the terms of the Academic Contract, please call to schedule an appointment at (949)824-6803.

If the student satisfies the terms of the Academic Contract, then the student may be off contract or the contract may be extended, depending on the student's overall progress. Meeting the terms of the Academic Contract ensures the student's eligibility to continue as a UCI student for the upcoming academic quarter.

If the student violates the contract, the record will be reviewed again to determine whether the student will be disqualified. The student in this situation should contact the SSUGCO to determine their status as soon as possible.

DEAN'S SIGNATURE

Academic Counselors in the Social Sciences Undergraduate Counseling Office are authorized to sign for the Dean of Social Sciences. Therefore, if any forms, including add cards, readmission, part-time student petition, etc. require the Dean's Signature, please come to the Social Sciences Undergraduate Counseling Office in SST 370D. Contact the Registrar for verifications of enrollment and grades.

CANCELLATION/WITHDRAWAL

Undergraduate students who pay fees for a regular academic quarter and then decide to withdraw from the University must submit a Cancellation/Withdrawal form to the Office of the Registrar after obtaining the signature of their academic dean (available at the Social Sciences Undergraduate Counseling Office for students affiliated in the School of Social Sciences). This form serves two purposes: (1) a refund of fees, if applicable; and (2) automatic withdrawal from all classes. The effective date of withdrawal is used in determining the percentage of fees to be refunded. A "W" grade will be recorded for each course in which enrollment is withdrawn if the student's effective date of withdrawal is after the end of the sixth week of classes.

New undergraduate students are encouraged to seek advice from their admissions or academic counselor to understand the consequences of withdrawal and their eligibility to return, before submitting the form (Please refer to the Readmission section).

If an undergraduate student plans to leave the University after completing all academic work for the latest quarter of enrollment and has not paid fees or enrolled for the next quarter, a formal notice of withdrawal is not necessary.

READMISSION

All Students:

- Readmission is subject to Dean's signature/approval (available in the Social Sciences Undergraduate Counseling Office for students affiliated with the School of Social Sciences) and campus deadlines (August 1 for Fall Quarter, November 1 for Winter Quarter, and February 1 for Spring Quarter). To apply for readmission, a student must first visit their academic counseling office to obtain the Dean's permission. Then, the student must pay a nonrefundable \$60 application fee at the Cashier's Office, and then file the Application for Readmission with the Office of the Registrar.

New Undergraduate Students:

- New undergraduate students who cancel registration prior to the first day of the quarter must reapply to UCI; they are not eligible to file for readmission as described above.

Former UCI Students:

- Former UCI students who wish to be readmitted should contact the undergraduate counseling office of the school or program which offers their intended major.

POOR ACADEMIC STANDING

If a student has been academically disqualified from the University or has left the University while on probation or subject to disqualification, the student must apply for readmission. The application is subject to the approval of the Dean of the School which the student hopes to enter. Transcripts for work taken at other institutions must be submitted as part of the application.

PART-TIME STUDENT STATUS

A student with full-time student status must be enrolled in a minimum of 12 units. A student enrolled in less than 12 units will lose their full-time student status, but still pay the full-time fees unless a Petition for Reduced Fee Part-Time Study Program has been submitted by the deadline.

The School of Social Sciences only accepts three reasons for petitioning for reduced fees as a part-time student and requires appropriate documentation:

- Health
- Family obligation
- Work (Student must work a minimum of 25 hours a week to qualify)

If the student qualifies, they must bring in the documentation to the Social Sciences Undergraduate Counseling Office and fill out the "Petition for Reduced Fee Part-Time Study Program." Once approved, the student must submit the Petition to the Office of the Registrar *no later than 5:00 p.m. Friday, the end for the third week of classes*, to be eligible for reduced fees.

HOW LONG DO I HAVE TO ADD/DROP/CHANGE CLASSES?

REMEMBER: YOU MUST ALWAYS HAVE YOUR INSTRUCTOR'S SIGNATURE ON AN ADD/DROP/CHANGE CARD PRIOR TO ANY PROCESSING. A Dean's signature can be obtained in SST 370D AFTER an instructor has already signed it.

Week 1-2: There is no charge to make changes to your schedule during the first two weeks of classes. For courses listed as electronic add/drop (EAD), students can add/drop/change up until the end of Week 2 using WebReg. After Week 2, add/drop/change cards are required.

NOTE: The deadline to drop ALL Economics courses is the Friday of Week 2.

Week 3-6: After the 2nd week, you must obtain your Dean's signature to change the grade option for a class. You do not need the Dean's signature to add or drop a course just the instructor's signature on the add/drop/change card. The Dean's Signature is only required to change the grade option of a course. At the start of the 3rd week of classes, there will be a \$3.00 fee for each add/drop/change card processed. For students wishing to drop an Economics course after Week 2, it will be treated as a post-Week 6 drop (refer to the following section).

School of Social Sciences Policies

THE ABSOLUTE DEADLINE FOR ADDING/DROPPING/CHANGING CLASSES FOR STUDENTS AFFILIATED IN THE SCHOOL OF SOCIAL SCIENCES IS THE END OF THE 6th WEEK OF EACH QUARTER.

Week 6-10: Majors in the School of Social Sciences will not be given the Dean's signature after Week 6 unless there are some extenuating circumstances. Students requesting to add/drop/change after Week 6 are required to complete a petition at the front desk explaining their circumstances. After the sixth week any courses you DROP will be noted on your transcript as a "W." The "W" notation indicates that you dropped after the UCI deadline. "W's" hold no GPA value and one or two are not problematic. Note that if approved to drop/change a course after Week 6, the student may never make another post-Week 6 drop/change regardless of the circumstances. Post-Week 6 drops/changes are one time exceptions.

WHEN CAN I RETAKE A CLASS? HOW MANY CAN I RETAKE?

Classes cannot be retaken unless the grade earned was a "C-" or lower. The first 16 units retaken will replace the grades and units completely when calculated into the UCI GPA. The most recent grade will always replace the previous grade regardless of which grade is better, if it is within the first 16 units retaken. After the first 16 units, the old grade and the new grade will be averaged. The original and subsequent grades will all remain noted on the transcript.

NOTE:

- No grade of "C" or lower for lower and upper division writing.
- No grade of "D-" or lower for class taken for a Social Sciences major.

TRANSCRIPT NOTATIONS

What do the transcript notations mean?

- "NR" – "no record" This turns into an "F" if it is not taken care of within one quarter
- "I" – "incomplete" This means that your professor did not have enough coursework to determine your grade. Once you make up the work within the time agreed upon by the instructor, you will be issued a grade. If you fail to make up the work, the "I" grade will appear permanently on your transcript. You have one academic year to complete the work and change your grade. Note you do not enroll in the course again, but complete the work with the professor's approval and then receive a grade change with the help of the SSUGCO. All remaining "I's" will be calculated into your UCI cumulative GPA as "F's" upon graduation (You need a minimum 2.00 GPA to graduate) but the "I's" will not actually physically change to "F's" on the transcript.
- "W" – "withdrew from course" This means that you dropped the course after the drop deadline.
- "UR" – "unauthorized repeat" If a student repeats a course for which a passing grade ("C" or better) has already been received and the course is not approved as repeatable for credit, the student will receive a "UR" and no credit, grade, or units will be given.

PETITIONS

Students petition to receive credit for courses not preapproved on Assist.org or articulated in the catalogue.

Online petition (additional paperwork or documentation not required)

- Use a computer to access the web and enter the following URL: <http://www.socsci.uci.edu/ugs/>

School of Social Sciences Policies

- Click on “Forms & Policies” link.
- Click on “Academic Petition” link.
- Complete the form and submit.

A decision on your electronic petition will be completed in 3-5 business days. If you have any questions, please contact the Counseling Office at (949) 824-6803 or via email at socsci@uci.edu.

Paper Petition (additional paperwork or documentation required)

- Please bring in paperwork (i.e., course descriptions, syllabi, etc.) to our office.
- Fill out the paper petition in our office. We will contact you by phone or email you with the results.

COURSE AUTHORIZATIONS

Why can't I enroll in a class, when I have met the prerequisites and am a major?

If you have a problem enrolling in a class and have met all prerequisites for the course, please come in to fill out a course authorization form.

Students, especially transfer students, need to come in to fill out course authorizations if prerequisites (lower division writing, psychology, economics, etc.) were taken at another school or other institution (ex. AP scores) for **each quarter** they have a class that requires those courses as prerequisites. Please come before your enrollment window opens to avoid any complications with enrollment.

Learning and Academic Resource Center (LARC)

The **Learning and Academic Resource Center (LARC)** provides services designed to help students acquire the skills they need to develop intellectually, become successful learners, and achieve their academic and professional goals. LARC staff and programs provide students with the personal contact and support needed for academic success on a large and diverse campus. The Center works closely with faculty to develop programs that meet both curricular objectives and the changing needs of students. LARC programs stress the development of academic abilities that all university students need regardless of major: effective study strategies, critical reading and analytical writing. The Center offers adjuncts classes, workshops, peer tutoring groups, and individual counseling, including assistance in all forms of academic reading and writing.

Career Center

Students are strongly encouraged to visit UCI's Career Center early in their academic career. The Center assists undergraduate and graduate students with career decision-making and career planning through individual counseling, workshops, career programs, career fairs, employment opportunities, and graduate and professional school information. Vocational interest inventories are also available on a fee-for-service basis. The center provides students many opportunities to connect with employers, alumni, and professional and graduate schools. The Center assists students seeking part-time and full-time employment opportunities, teaches job search skills and interviewing techniques; and provides job listings and offers an on-campus interview program (OCI).

Transfer Services Counseling Program

The TSCP is located on the second floor of the Student Services II building, together with the Transfer Student Center and Lounge. The Student Services II building is across Ring Road from the Student Center, the UCI Bookstore and Starbucks.

The Transfer Services Counseling Program (TSCP) is a program within UCI's Division of Undergraduate Education (DUE). The program was begun in recognition of the fact that transfer students frequently have special circumstances that place unusual demands on their time and call for specialized assistance. The primary role of the TSCP is to help transfer students quickly locate appropriate sources of advice and other services relevant to their educational and student life needs.

In consideration of the tight schedules of most transfer students, the Transfer Services Counselor, Shelly Brown-Gunn, is conveniently available to advise students by email, phone, or in person. The useful links and helpful advice available online should be quick and efficient resources for you. Visit the Hot News page for a listing of all current events and announcements relevant to UCI transfer students.

In addition, the TSCP and the Center for Educational Partnerships are co-sponsors of the Transfer Houses in Arroyo Vista. All UCI transfer students are invited to workshops and activities we sponsor within the Transfer Houses.

Transfer Student Association

Transfer students finally have a support group just for them. There will be regular meetings, mentorship, and workshops so membership in the club will be a huge asset to all transfer students. The TSA website will soon have a message board so that transfer students can connect with each other without having to go to meetings (which can be difficult for some transfer students). If you are interested in joining the TSA, contact the club at transferclub@uci.edu.

Tau Sigma National Honor Society for Transfer Students

UC Irvine has just established a Tau Sigma chapter. Eligibility is determined by a transfer student's GPA only during their first full-time quarter at UCI (it must be 3.5 or higher). Contact Shelly Brown-Gunn, Club Advisor, for more information or email at tausigma@uci.edu.

UCI Academic Testing Center

- The UCI Academic Testing Center, a unit within the Division of Undergraduate Education, administers the Placement Testing Program to new and continuing students to ensure correct placement in selected introductory courses and to help students assess their readiness for University-level work. These tests are selected or developed by UCI faculty who also determine the grading criteria for each test. Students, with the help of academic counselors, use results from placement tests to determine enrollment in introductory courses and to formulate a plan of study that is best suited for their learning needs and career goals.
- Placement tests are currently given in the areas of chemistry, physics, calculus, mathematical analysis, Chinese, Japanese, Korean, Vietnamese, Analytical Writing, and Academic English.
- The Academic Testing Center also administers the Language Testing Program. Tests are offered in over 40 languages and are administered 3 times during the academic year.
- The Academic Testing Center participates with the Composition Program in the campus-based administration of the University of California Analytical Writing Placement Exam.

Undergraduate Research Opportunities Program

The Undergraduate Research Opportunities Program (UROP) in the Division of Undergraduate Education encourages and facilitates faculty-mentored research and creative activities by undergraduates from all schools and academic disciplines at UCI. UROP also collaborates with various schools and research units to develop specialized research opportunities. Conducting research and creative activities has become an integral component of the education undergraduates receive at UCI, and provides students with the necessary skills to succeed in their future careers. Research opportunities are available not only from every discipline, interdisciplinary program, and school, but also from many outside agencies, including national laboratories, industrial partners, and other universities. Opportunities are listed on the UROP website, and distributed through various e-mails throughout the academic year. Students interested in receiving more information and individualized assistance are encouraged to contact the UROP Office to set up an advising appointment. Through UROP's various programs, the UROP Team assists students through all phases of the research process, whether it is with proposal writing, developing research plans through project management skills, receiving grants to fund research projects, scholarly journal writing through *The UCI Undergraduate Research Journal*, or presenting results of the research or creative project through the UCI Undergraduate Research Symposium.

Counseling Center

The Counseling Center is here to provide the UCI community with a broad range of mental health support services. They include: individual, couples, and group counseling, urgent care, crisis response, consultation, and outreach programs. If you would like to talk with someone or make an appointment for counseling services please call **(949) 824-6457**.

The Counseling Center is committed to helping students achieve the maximum benefit from their UCI experience. The Center's intention is to support students in performing well academically, to assist them through developmental tasks associated with their college student years, and to learn how to be more effective in developing, maintaining, and negotiating relationships with others. The Center is also committed to managing psychological crises which arise as a result of students' inability to cope with the pressures associated with a stressful academic environment.

The services offered by the Counseling Center are free of charge and available to all currently enrolled students. Services can be grouped into four areas: counseling and psychotherapy; workshops; academic instruction; training and consultation.

Open Hours

The Counseling Center is open from 8am to 5pm, Monday through Friday for scheduled appointments and a counselor is always available on an urgent basis.

Student Health Center

- Effective Fall Quarter 2001, the Regents of the University of California instituted health insurance coverage as a condition of enrollment for all undergraduate students. This insurance is now included in your student fees and enrollment in the plan is automatic when you pay your fees. You may waive out of this plan if you can demonstrate comparable and verifiable health coverage that meets the campus' minimum standards for insurance. (Refer to "Health Insurance" pg. 9)
- The Student Health Center is the primary care facility for students covered by the USHIP. In order to take advantage of your insurance plan, all medical care must begin at Student Health. If you need a medical service that we cannot provide, you will be referred to a qualified provider in the community. If you are a member of USHIP, the cost of your medical care will be billed directly to your insurance plan.
- Students who waive out of the plan, but use Student Health, will pay at the time of service and will be given an itemized receipt they may submit to their insurance carrier for reimbursement.

Center for International Education (CIE)

The Center for International Education (CIE) includes the Education Abroad Program (EAP) and the International Opportunities Program (IOP). CIE is a comprehensive resource and counseling center which helps students take advantage of the many worldwide opportunities that exist for study, work, internship, volunteering, research, and non-credentialed teaching which relates to their degree programs at UCI.

Professional staff and international peer advisors, who have returned from an IOP or EAP experience, are available to guide students in making appropriate choices of international programs for their educational goals. Group and individual advising is available every day that UCI is in session.

UCDC/UC Sacramento

The UCDC Academic Internship Program is offered during the Fall, Winter, and Spring quarters. Students who intern in D.C. during the academic year combine internships with coursework or field research as full-time students. Financial aid eligibility is maintained and may also qualify for the Presidential Scholarship. Students from all majors are encouraged to apply, Juniors and Seniors with a minimum GPA of 3.0 is recommended. For more information on the UCDC Academic Internship Program, please visit: www.dccenter.uci.edu

The UCDC Summer Internship Program sends students to Washington D.C. during the summer for experiential learning only. Each student admitted into the UCDC Summer Internship Program works closely with the Student Coordinators and Staff Advisors in preparation for the internship application and living experience in D.C. Students from all majors and class standing (including Graduating Seniors) are encouraged to apply. A minimum GPA of 2.5 is recommended.

The UC Sacramento Internship Program allows students to experience and explore a wide variety of career opportunities available to them with the convenience of staying close to home (or without traveling out of state) this summer. It is an especially great program for those who are interested in public policy at the state level and want to be exposed to California laws and decisions up close. However, the internship opportunities are not limited to strictly political experiences. This Program is best for students who are looking for an Internship during the summer if they do not want to miss an academic quarter. It is also not an academic program so there will be no coursework involved, however students may be able to receive units for their academic school. International Center

The International Center (IC) is a part of the Office of the Dean of Students at the University of California, Irvine. The IC staff counsels and assists international students, faculty, researchers, staff and scholars with immigration, orientation, employment and adjustment needs throughout their stay at the University of California, Irvine. In addition, the IC staff brings together international and American members of the UCI community for a variety of cultural, educational, social and recreational activities. The International Center helps visiting students, staff and scholars from other countries with any concerns that develop during their time at UCI. International students admitted to a UCI program of study and visiting international faculty, staff and scholars should address correspondence about immigration or other related concerns to the International Center.

If you are interested in applying to UCI as an international student for an undergraduate program of study, please refer to the UCI's Office of Admissions and Relations with Schools for information on obtaining application forms and application deadlines. If you are interested in studying English As A Second Language or in pursuing a Certificate Program through UCI Extension's Professional Development Programs, please refer to UCI Extension.

Clubs & Opportunities

Dean of Students (www.dos.uci.edu)

The mission of the Office of the Dean of Students is to provide services, programs, and facilities that enhance the quality of education by extending the learning environment beyond the classroom and into the co-curricular lives of UCI students. The Office of the Dean of Students promotes student participation in campus life and advocates for needs that are valued by students and validated by campus objectives.
