There will NOT be any academic advising during "Transfer Success" on **September 8th**. Even if you register to attend this campus orientation, you will need to attend one of our academic advising sessions.

SPECIAL NOTE: If you are completing IGETC (for community college transfers only), you must provide our office with an official IGETC certification. Speak to your counselor at your community college to verify your IGETC status before attending your advising session. IGTEC must be completed prior to matriculation to UCI or you will be held responsible for completing UCI Breadth Requirements.
