Dear New Social Sciences Student,

On behalf of the faculty and staff in the School of Social Sciences, I would like to congratulate you on your acceptance to UCI and the School of Social Sciences. An important component of your academic success is the careful selection of courses appropriate to your educational goals. To ensure that you enroll in the appropriate courses, complete the following steps:

1. **SUMMER ACADEMIC ADVISING:** To assist in planning your Fall Quarter schedule, refer to the enclosed information about **MANDATORY** advising sessions. You only need to attend one orientation/advising session over the summer. It is imperative that you receive academic advising since you will be enrolling into your Fall courses with an advisor.
2. **BEFORE ADVISING:**
 - Complete the **Statement of Legal Residence** form <http://www2.reg.uci.edu/slr/>
 - Ensure that all official transcripts and any exam scores such as, AP, IB, SAT have been received by the UCI Office of Admissions.
 - Make copies of official exam scores and any college transcripts if applicable and bring them to orientation. Proof of scores may be required for enrollment in certain courses.
 - **REVIEW:** UCI General Catalogue. This year, UCI will no longer have hard copies of the catalogue so make sure to know how to find it at <http://www.editor.uci.edu/catalogue/>. Note: The new catalogue will be ready in mid June.
 - **READ the New Student Checklist:** <http://www.newstudents.uci.edu/>
3. **PAY FEES:** All student billing must be accessed via the e-billing system at <https://zotaccount.uci.edu/>. Fees must be received by the Cashier's Office by September 15th at 4:30pm to maintain your enrollment. If the payment is late, you will be dropped from all your classes.
4. **DOUBLE CHECK:** Access WebReg at 5:00pm on September 19th to verify course enrollments, times, and locations.

5. **WELCOME WEEK:** September 19th through September 23rd is “UCI’s Welcome Week”. Below are some important events:

- **Campus-wide Transfer Student Welcome on Tuesday, September 20th**
(more information and details will be sent in the summer)
- Get your UCI Student ID card from UCItems located in the UCI Student Center.
- Buy your course books at the UCI Bookstore.
- Instruction begins on **Thursday, September 22nd**

6. **FACEBOOK:** Become a Fan of the School of Social Sciences by going to <http://www.facebook.com/pages/Irvine-CA/UC-Irvine-School-of-Social-Sciences/48319006661>

If you have questions about any of the above information, please visit the Social Sciences Undergraduate Student Affairs website at http://undergraduestudies.ss.uci.edu/ugs_usa for more up-to-date information or contact a Social Sciences academic advisor at (949) 824-6803 or by email at socsci@uci.edu. We look forward to seeing you this summer and wish you success in your academic career at UCI!

Sincerely,

Mark P. Petracca

What is a UCI NetID?

Your UCI NetID is your key to online services at the University of California, Irvine. Many online services, including Webmail, WebReg, EEE, and numerous others, require you to use your UCI NetID and password in order to log in.

Your UCI NetID is for **your individual use only**. Do not share your password with anyone.

Activate your UCI NetID:

<http://activate.uci.edu/activate/menu.html>

- You will need your Student ID number (8 digits), date of birth, and the last 4 digits of your Social Security number.

Webmail (Email)

To access your UCI email account, you must first activate your UCI NetID. Note that all official notices and emails will be sent to this email address.

- Go to <http://webmail.uci.edu>.
- Login with your UCI NetID and password.

E-mail Etiquette

Here are some tips on how to use email most effectively to communicate with academic counselors (and other UCI personnel).

1. **Use your UCI email address** (for UCI correspondence). To protect your privacy, many UCI offices will only respond to messages from UCI email accounts.
2. **Identify yourself.** When you send an email to an academic counselor, be sure to include your FULL-NAME, your MAJOR, and your UCI ID NUMBER. We need to know who we are talking to in order to give you accurate information.
3. **Be considerate.** Do not send the same question to more than one person in an office. There's no reason for three or four different people to answer the same question!
4. **Check your email regularly.** Lots of important information (some of it essential to your success as a student) will be sent by professors, academic counselors, and other UCI personnel. YOU are responsible for reading all official UCI emails sent to your account, and YOU will suffer the consequences if you miss important messages.
5. **Be clear and concise.** Try to keep email messages brief.
6. **Be flexible.** Some advising issues really need to be handled in person. Do not be offended if we ask you to make an appointment to discuss your questions—we do this to avoid wasting your time and ours with back-and-forth questions and answers that could be handled more quickly in person.
7. **Delete unwanted/old messages.** If you do not read your UCI email regularly and clear out old messages and spam, your inbox will fill up and important email messages may be returned and undelivered.
8. **Be professional.** Treat emails as a formal communication—do not use text messaging abbreviations, slang, four-letter words, etc. if you want to be taken seriously. Watch your grammar, spelling, etc.
9. **Be nice.** Keep the tone of your email civil. It is very easy for us (and your professors) to forward email and to print it off and put it in your file—it is not anonymous. **DO NOT WRITE YOUR EMAIL MESSAGES IN ALL CAPITAL LETTERS.** This is incredibly annoying and is often perceived as being hostile or confrontational.
10. **Be patient.** Sometimes you may get a response immediately, while at other times it may take a few days since we are often very busy. If you are really in a hurry to get an answer, drop by or call the office.

Schedule of Classes (WebSOC)

- Schedule of Classes is accessible from <http://www.reg.uci.edu>. Available online in Week 6 for the upcoming academic quarter.
- To find:
 - ✓ Major courses: Select appropriate department, then click "Display Web Results"

✓ General Education courses: Select GE category, then click "Display Web Results"

- When selecting courses, pay attention to times, dates, and places. Also write down the 5 digit code which you will need to register through WebReg.

When there are different types of courses listed under the "Typ" column, you must enroll in one of each type to maintain your enrollment in the course. Note if there is more than one lecture offered, you must select the corresponding co-class to enroll (See picture below).

- When courses have reached the maximum enrollment, students may waitlist the course if the option is indicated on WebSOC. When you waitlist a course, you are not enrolled but rather placed on a list of students who will be automatically enrolled based on their order on the waitlist as enrolled students drop the course.
- Similar to the Enrollment Menu, in order to remain waitlisted for a course you must waitlist each type of class offered.
- You will be informed through your UCI email if you are enrolled in the course. Make sure to check your UCI email regularly.
- If you no longer wish to enroll in the course, please remove yourself from the waitlist to avoid being accidentally enrolled in the course should enough enrolled students drop. It is your responsibility to make sure that your official class schedule accurately reflects the courses you are taking.

Automatic log off* will result if:

Exceeding the maximum time (3 minutes of idle time and 12 minutes of activity)

Minimizing the window

Hitting the <BACK> button

**An automatic log off may result in a delay in disconnecting WebReg from a record resulting in the message "Student record in use, please try again in a few minutes." If this happens, wait about 3-5 minutes then try again.*

Billing statements, called ZOTBills, are produced monthly for accounts that have activity or have balances greater than zero. If your account has a balance due or has had activity, your UCI email account will receive an email message reminding that you can view your most recent monthly bill, your current account information, and pay your bill electronically on ZOT Account Online.

If your account had no activity and the balance due is \$0.00, you will not receive an email, but you can view account information on ZOT Account Online twenty-one hours a day, seven days a week. Your ZOTBill is what you see in the Current Account view on ZOT Account Online.

Payment Instructions

The Amount Due on the ZOTBill is the minimum payment amount required. Payments can be made electronically from your ZOT Account Online, or by check or money order drawn on U.S. funds and made payable to the REGENTS OF THE UNIVERSITY OF CALIFORNIA or UC REGENTS. Payment must be received by the Cashier by the due date to avoid late charges and other potential consequences.

Contact Central Cashier: ☎ (949) 824-6916

PACE Payment Plan (Installment Payments)

The PACE Plan spreads the costs of registration into three monthly payments over the length of the quarter. A student must apply for and activate a new PACE Plan Agreement each quarter. The Plan is activated when the Central Cashier processes the first installment payment (including the non-refundable participation fee), no later than the applicable registration fee deadline. Until then the current PACE application can be cancelled without penalty.

Each student participant must apply quarterly from ZOT Account Online and must agree to abide by the PACE Terms and Conditions in order to join and remain in the program.

Registration and Enrollment

Registration fee payment (either electronically or by check or money order along with a payment stub from your ZOT Account Online) must be received by the Central Cashier by 4:30 PM Pacific time on the fee deadline date. If the full amount of registration fees is covered by financial aid or a combination of aid and waivers, and you have enrolled in the Minimum Required Units (MRU), your fees will be paid automatically. If you have partial fee coverage, submit the amount due to the Central Cashier. Failure to meet the fee payment deadline will cause classes added via WebReg to be dropped and late service charges to be assessed.

Contact Registrar: ☎ (949) 824-6124

For New Students

Holds on New Students' Records

A "hold" is placed on your registration if you are a newly admitted student and the Office of Admissions and Relations with Schools (OARS) has not received the requested documents to verify your conditions of admission stated in your Transfer Conditions (mailed to you with your admissions letter). Requested documents may include official high school transcripts, official transcripts from any college course work, official test scores (SAT I or ACT, SAT II), and official Advanced Placement (AP) and/or International Baccalaureate Higher Level (IB) exam scores. To check the status of sent documents and to see what specific documents OARS still needs, go to Admissions and Relations with Schools and log on to MyAdmissionsApplication@UCI. Click on "MyTests" and "MySchools."

A "hold" on your record may prevent you from registering. If you have already enrolled, then the hold may drop you from your courses if you do not resolve the hold. Your admission to UC Irvine is subject to cancellation if OARS does not receive the requested official documents or if any information you submitted on your UC application does not agree with the official documents you submit.

Contact Admissions and Relations with Schools:

☎ (949) 824-6703

For Students With Financial Aid

Financial Aid

As soon as you have enrolled in your Minimum Required Units (MRU) and satisfied any conditions noted on your ZOT Account, your aid will be applied to your fees to pay them automatically. The MRU for payment of fees is 6 units for financial aid. It is your responsibility to comply with all terms of the financial aid award before funds can be disbursed. In order to receive financial aid, students are required to pay all University debts, submit all required documents (including on-line entrance counseling materials), and enroll in the MRU. After registration fees and other University obligations are paid, remaining aid will be electronically deposited or mailed, as you designated with the Office of Financial Aid and Scholarships, beginning the first day of the quarter.

Contact Office of Financial Aid and Scholarships:

Health Insurance

Undergraduate Student Health Insurance

As required by the UC Regents, all undergraduate students are assessed for health insurance as part of their student fees. If you have comparable, verifiable health insurance, you may apply for an exemption (waiver) of this fee using an electronic form available on ZOT Account Online. All waiver applications are handled through ZOT Account Online and instructions are provided. Waivers are due the Friday preceding the fee payment deadline. Additional information on the waiver process is available from the Student Health Center.

IGETC

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses prospective transfer students may complete at California community colleges to satisfy the lower division general education requirements at both the University of California and the California State University. It was developed to simplify the transfer process for students.

If you choose to follow IGETC, you must complete it before you transfer to UC. If not, you will be required to satisfy the specific lower division general education requirements of the college or school at the UC campus you attend. All IGETC coursework does not have to be completed at the same college. Courses taken at more than one California community college may be used to fulfill IGETC. However, application of courses to IGETC subject areas may vary from college to college. Always consult your community college advisors regarding IGETC.

IGETC is not an admissions requirement therefore not all transfer students have received IGETC. An Associate's Degree is NOT equivalent to IGETC.

Students who have completed UC IGETC must request to have an official, sealed copy of the IGETC certification sent to Social Sciences Undergraduate Student Affairs. Note that at some community colleges, UC IGETC is noted on the transcript while for others, it is a separate form that must be specifically requested (please check with the community college).

If the student has not completed IGETC requirements, the student must refer to the community college to determine if it is possible to complete IGETC after transferring to UCI. If possible and appropriate, the student should complete the remaining requirements and the School of Social Sciences will honor the IGETC. If not possible, the student should try to be evaluated for partial UC IGETC by the community college. Upon receiving it, the student would then petition to be allowed to use it towards their UCI General Education requirements (Note this is only approved in special circumstances).

If IGETC cannot be awarded, it is highly recommended that the student schedule an appointment with an academic counselor to be evaluated for missing UCI General Education requirements as soon as possible.

IGETC requirements do **NOT** satisfy:

- Upper division writing (Category I-B)
- School of Social Sciences Requirements
 - ✓ Math requirements
 - ✓ Computer Technology requirements

General Education Requirements - *Please refer to the General Catalogue for a complete list of courses.*

I. Writing (2 lower-division courses plus 1 upper-division course)

Because of the importance of writing in every academic discipline, in the professions, and in public life, the University is committed to developing the writing abilities of its students at all levels and in all areas. The Writing Requirement expresses this commitment, but the concern for and attention to clear, accurate writing is expected in all courses.

- Need (2) lower division courses and (1) upper division course.
- Must complete lower division writing before 7th quarter at UCI.
- Must pass the UC Analytical Writing exam before enrolling in courses.
- Courses for writing must be completed with a minimum grade of "C" or better

NOTE: ALL STUDENTS MUST COMPLETE THE UPPER DIVISION WRITING REQUIREMENT AT UCI. IGETC DOES NOT SATISFY THIS REQUIREMENT.

II. Science and Technology (3 courses)

Understanding the nature of scientific inquiry and the operation of the biological, physical, and technological world is essential for making personal and public policy decisions in a technological society. Students must complete three courses from the approved list in the General Catalogue.

III. Social and Behavioral Sciences (3 courses)

Courses will focus on principles, sources, and interpretations of human behavior and on how people organize, govern, understand, and explain social life. This category includes the analysis of human behavior at all levels, from the individual to collective social, economic, and political life, and on the scientific methods used in the acquisition of knowledge and the testing of competing theories.

- Satisfied by majoring in the School of Social Sciences

IV. Arts and Humanities (3 courses)

Study of the Arts and Humanities expands the student's sense of diverse forms of cultural expression, past and present. Students develop their critical capacity as they discover how meaning is created and experience variously interpreted. Students must complete three courses from the approved list in the General Catalogue.

V. Quantitative, Symbolic, and Computational Reasoning (3 courses)

This requirement enables students to evaluate quantitative and symbolic arguments and to model and solve real-world problems using systems of abstract models.

- Completed by Social Sciences Math Requirement

VI. Language Other Than English (up to 3 courses)

Study of a language other than English expands students' horizons by encouraging understanding of another culture through its language and heightens one's own language through the investigation of another linguistic system.

Can be met prior to UCI entrance by:

- 3 years of Foreign Language in high school (must have "C" average in the last year).
- AP score of 3, 4 or 5 in a language other than English
- SAT II score of 570 or better (500 or better in Modern Hebrew)

At UCI, can be satisfied by:

- UCI Exemption Exam (Contact the UCI Testing Center)
- Satisfaction of the 1C level of a language other than English
- EAP approved course of study

NOTE: Chicano/Latino Studies majors must take Spanish 2A and International Studies majors must complete the 2C level of one language other than English for a letter grade.

VII. Multicultural Studies (1 course)

This requirement develops students' awareness and appreciation of the history, society, and/or culture of one or more underrepresented groups in California and the United States.

Students must complete one course from the approved list found in the General Catalogue. In fulfilling Category VII, students are encouraged to use courses that are also being used in fulfillment of other GE Categories. For example, Humanities 1C simultaneously satisfies Category VII and a portion of Category IV.

VIII. International/Global Issues (1 course)

Courses in this category focus on significant cultural, economic, geographical, historical, political, and/or sociological aspects of one or more countries other than the United States. Approved courses can be found in the General Catalogue.

In fulfilling Category VIII, students are encouraged to use courses that are also being used in fulfillment of other GE Categories. In addition, Category VIII may be satisfied by one quarter's participation in the Education Abroad Program (EAP).

Overlapping courses between GE Categories:

- Courses applied to Categories II, III, IV, V may not have any overlaps between these Categories
- Courses applied to Categories VII and VIII may overlap with other categories (including Categories II, III, IV, V)

One of the following fourth-quarter language options:

- A. Credit for four years of high school study or its equivalent in a single language other than English with a "C" average or better in the fourth year.
- B. A score of 4 or 5 on a College Board Advanced Placement Examination in a language other than English. **NOTE:** Students who earn a 3, 4, or 5 on the AP Chinese Examination must take the UCI Chinese placement examination to determine course benefit.
- C. A score of 620 or better on College Board SAT Subject Test in a language other than English, with the exception of the test in Modern Hebrew for which a score of 540 or better is required.
- D. The equivalent as determined by an appropriate and available means of evaluation. For information on availability of such examinations and testing schedules, consult the **UCI Academic Testing Center, 3040 Anteater Instruction and Research Building, (949) 824-6207**. If an appropriate means of evaluating competence in a non-English language of instruction does not exist, satisfactory completion, with a C average or better, of two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English will meet the requirement. Appropriate documentation must be presented to substantiate that the course work was completed.

Social Sciences Requirements

Change of Major Requirements - How do I change/declare/add my major?

You may change/declare/add your major once the quarter has started. However, each School on campus has specific policies and requirements regarding change of majors. How many courses can I overlap if I am a double major or have a minor?

- Double major within the School of Social Sciences: 2 introductory level lower division courses
- Major in the School of Social Sciences and a minor from another school: 2 courses
- Major and a minor in the School of Social Sciences: **NO OVERLAP.**
- No course overlaps between two minors

Minors

A minor consists of a coordinated set of courses (seven or more) which together take a student well beyond the introductory level in an academic field, subject matter, and/or discipline but which are not sufficient to constitute a major. An interdisciplinary minor consists of courses offered by two or more departments, schools, or programs. Generally, all minors are available to all students, with the following exceptions: (1) students may not minor in their major, and (2) students may not complete certain other major/minor combinations that are expressly prohibited, as noted in the Catalogue. Minors are listed on a student's transcript but not on the baccalaureate diploma. If interested, students should contact the School that houses the minor.

Transfer Units

To receive credit or units for coursework completed outside of UCI, student must submit official sealed copies of the transcripts or records to UCI Admissions or the Social Sciences Undergraduate Student Affairs (SSUSA). The following includes some tools to determine how California community college coursework may transfer. For coursework taken at a 4 year university or out of state, please contact SSUSA to have them evaluated by an academic counselor (Please refer to the "Petitions" section).

ASSIST (<http://www.assist.org>)

ASSIST is an online student-transfer information system that shows how course credits earned at California community colleges can be applied when transferred to the University of California, Irvine. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

Steps:

1. Go to www.assist.org.
2. Select your community college from a list of colleges and select a catalogue year.
3. Select "University of California, Irvine".
4. Find courses
 - a. For lower division courses in your major, select your major.
 - b. For Breadth/General Education requirements, select "General Education/Breadth"

This website only lists which courses can be transferred if offered. Students must still refer to the community college's website to find course schedules. Upon completion of the courses, students should request to have an official sealed copy of the transcript sent to UCI Admissions or the Social Sciences Undergraduate Student Affairs (SSUSA).

Courses taken at community colleges can only transfer units and subject credit. Community colleges only offer lower division courses, so all upper division courses must be taken at four year universities. Note that all math courses and major courses must be taken for grades. Refer to "Transcript Notations" for information about unauthorized repeats.

For UC transferable courses, 1 semester unit is equivalent to 1.5 UC quarter units

Student Affairs Office Functions

Whom do I speak with?

It depends on what you need! The School of Social Sciences does not assign specific advisors so you can meet with any one of our Academic Counselors or Peer Academic Advisors to find the answers you need.

Front Desk (Walk-In)- a Peer Academic Advisor and an Academic Counselor to answer quick questions, direct you to the correct resource, schedule appointments with Academic Counselors, and provide forms regarding excess unit request, prerequisite clearance, change of majors, post-quarter add/drop/changes, and part-time student applications.

Peer Academic Advisors (Walk-In)- questions regarding unofficial degree checks, class schedules, general education, school, and major requirements, change of major process, petitions, and application to graduate.

- To talk to a Peer Academic Advisor you may come in during office hours for walk-in advising.

Academic Counselors (Appointment/Walk-In)- official graduation degree check, petitions, academic contracts or if you have any sort of IGETC related questions.

- Appointments with Academic Counselors are only scheduled for declared students who are majors in the School of Social Sciences. To schedule an appointment with an Academic Counselor please call (949) 824-6803.

Study Abroad Advising

- Prospective Education Abroad Program (EAP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. Bring copies of the course descriptions to have your courses evaluated once you have chosen one specific program.
- Prospective International Opportunities Program (IOP) participant- Walk-in advising only from 8:30 AM to 9:30 AM Monday through Friday. The IOP Advance Contract online must be evaluated by UCI Admissions **before** our office can evaluate the courses. Bring course descriptions to have your courses evaluated once you have chosen one specific program.

- EAP/IOP Returner- Call (949) 824-6803 to schedule an appointment with an EAP/IOP Academic Counselor once grades have been posted on your UCI transcript (for EAP students) or official transcripts have been received (for IOP students). Make sure to bring course syllabi to the appointment.

Academic Probation/Contract

What are Academic Probation and Academic Contract?

Good academic standing at UCI is maintaining quarterly and cumulative grade point averages (GPAs) of at least 2.00. If either GPA falls below 2.00, the student should contact the Social Sciences Undergraduate Student Affairs Office as soon as possible to determine their status and whether action is necessary to avoid disqualification. The two main phases before disqualification are Academic Probation and Academic Contract.

Academic Probation

When a student's quarterly GPA falls below 2.00 but their UC cumulative GPA is still above 2.00, the student is placed on Academic Probation. No action is taken but this serves as a warning.

Academic Contract

There are two situations which place a student on academic contract.

- Two consecutive quarterly GPAs below 2.00
- UC cumulative GPA below 1.80

An email will be sent to you regarding your Academic Contract. Do not ignore the email. It will serve as your contract if you do not come into the SSUSA to see an Academic Counselor. If you have any questions or would like to discuss the terms of the Academic Contract, please call to schedule an appointment at (949)824-6803. If the student satisfies the terms of the Academic Contract, then the student may be off contract or the contract may be extended, depending on the student's overall progress. Meeting the terms of the Academic Contract ensures the student's eligibility to continue as a UCI student for the upcoming academic quarter.

If the student violates the contract, the record will be reviewed again to determine whether the student will be disqualified. The student in this situation should contact the SSUSA to determine their status as soon as possible.

Dean's Signature

Academic Counselors in the Social Sciences Undergraduate Student Affairs Office (SSUSA) are authorized to sign for the Dean of Social Sciences. Therefore, if any forms, including readmission, part-time student petition, etc. require the Dean's Signature, please come to the Social Sciences Undergraduate Student Affairs Office (SSUSA). Contact the Registrar for verifications of enrollment and grades.

Cancellation/Withdrawal

Undergraduate students who pay fees for a regular academic quarter and then decide to withdraw from the University must submit a Cancellation/Withdrawal form to the Office of the Registrar after obtaining the signature of their academic dean (available at the Social Sciences Undergraduate Student Affairs Office (SSUSA) for students affiliated in the School of Social Sciences). This form serves two purposes: (1) a refund of fees, if applicable; and (2) automatic withdrawal from all classes. The effective date of withdrawal is used in determining the percentage of fees to be refunded. A "W" grade will be recorded for each course in which enrollment is withdrawn if the student's effective date of withdrawal is after the end of the sixth week of classes.

New undergraduate students are encouraged to seek advice from their admissions or academic advisor to understand the consequences of withdrawal and their eligibility to return, before submitting the form (Please refer to the Readmission section).

If an undergraduate student plans to leave the University after completing all academic work for the latest quarter of enrollment and has not paid fees or enrolled for the next quarter, a formal notice of withdrawal is not necessary.

Readmission

All Students

Readmission is subject to Dean's signature/approval (available in the Social Sciences Undergraduate Student Affairs Office (SSUSA) for students affiliated with the School of Social Sciences) and campus deadlines (August 1 for Fall Quarter, November 1 for Winter Quarter, and February 1 for Spring Quarter). To apply for readmission, a student must first visit their academic advising office to obtain the Dean's signature. The application is on-line and will be submitted by an academic counselor upon approval. The \$60 application fee will be added to a student's Zot Bill within two to three days of being approved for readmission.

New Undergraduate Students

New undergraduate students who cancel registration prior to the first day of the quarter must reapply to UCI; they are not eligible to file for readmission as described above.

Former UCI Students

Former UCI students who wish to be readmitted should contact the undergraduate advising office of the school or program which offers their intended major.

Poor Academic Standing

If a student has been academically disqualified from the University or has left the University while on probation or subject to disqualification, the student must apply for readmission. The application is subject to the approval of the Dean of the School which the student hopes to enter. Transcripts for work taken at other institutions must be submitted as part of the application.

Part-Time Student Status

A student with full-time student status must be enrolled in a minimum of 12 units. A student enrolled in less than 12 units will lose their full-time student status, but still pay the full-time fees unless a Petition for Reduced Fee Part-Time Study Program has been submitted by the deadline.

The School of Social Sciences only accepts three reasons for petitioning for reduced fees as a part-time student and requires appropriate documentation:

- Health
- Family obligation
- Work (Student must work a minimum of 25 hours a week to qualify)

If the student qualifies, they must bring in the documentation to the Social Sciences Undergraduate Student Affairs Office (SSUSA) and fill out the "Petition for Reduced Fee Part-Time Study Program." Once approved, the student must submit the Petition to the Office of the Registrar no later than 5:00 p.m. Friday, the end for the third week of classes, to be eligible for reduced fees.

How Long Do I Have to Add/Drop/Change Classes?

To drop or add or change the grading option on a course, you use WEBREG at <http://www.reg.uci.edu/registrar/soc/webreg.html>

Please note the below deadlines that are effective for the UCI campus effective Fall 2010.

Dropping a Course

The deadline to **DROP** a course is Friday at 5:00 PM of week 2 in the current quarter.

Adding a Course

The deadline to **ADD** a course is Friday at 5:00 PM of week 3 in the current quarter.

Changing a Course Grading Option (Grade to Pass / No Pass or Pass / No Pass to Grade)

For majors in the School of Social Sciences, the deadline to change your grading option is by 5:00 PM of week 6 in the current quarter. The Dean's approval will not be given after week 6.

When Can I Retake a Class? How Many Can I Retake?

Classes cannot be retaken unless the grade earned was a "C-" or lower. The first 16 units retaken will replace the grades and units completely when calculated into the UCI GPA. The most recent grade will always replace the previous grade regardless of which grade is better, if it is within the first 16 units retaken. After the first 16 units, the old grade and the new grade will be averaged when calculated into the UCI GPA. The original and subsequent grades will all remain noted on the transcript.

Transcript Notations

- **"NR"** – "no record" This turns into an "F" if it is not taken care of within one quarter.
- **"I"** – "incomplete" This means that your professor did not have enough coursework to determine your grade. Incomplete grades are only issued to a student who for a medically documented reason or some other documented reason was unable to complete an assignment or exam. Once you make up the work within the time agreed upon by the instructor, you will be issued a grade. Effective Fall 2010, any Incomplete grades that have not been changed within three quarters will automatically lapse to a grade of "F" on your transcript. Note you do not enroll in the course again, but complete the work with the professor's approval and then receive a grade change with the help of the SSUSA.
- **"W"** – "withdrew from course" This means that you dropped the course after the drop deadline.
- **"UR"**—"unauthorized repeat" If a student repeats a course for which a passing grade ("C" or better) has already been received and the course is not approved as repeatable for credit, the student will receive a "UR" and no credit, grade, or units will be given.

- Please bring in paperwork (i.e., course descriptions, syllabi, etc.) to our office.
- Fill out the paper petition in our office. We will contact you by phone or email you with the results.

Prerequisite Clearance

Why can't I enroll in a class, when I have met the prerequisites and am a major?

If you have a problem enrolling in a class and have met all prerequisites for the course, please come in to fill out a prerequisite clearance form.

Students, especially transfer students, need to come in to fill out prerequisite clearance forms if prerequisites (lower division writing, psychology, economics, etc.) were taken at another school or other institution (ex. AP scores) for each quarter they have a class that requires those courses as prerequisites. Please come before your enrollment window opens to avoid any complications with enrollment.

UNDERGRADUATE RESEARCH OPPORTUNITIES PROGRAM (UROP)

The Undergraduate Research Opportunities Program (UROP) in the Division of Undergraduate Education encourages and facilitates faculty-mentored research and creative activities by undergraduates from all schools and academic disciplines at UCI. UROP also collaborates with various schools and research units to develop specialized research opportunities. Conducting research and creative activities has become an integral component of the education undergraduates receive at UCI, and provides students with the necessary skills to succeed in their future careers. Research opportunities are available not only from every discipline, interdisciplinary program, and school, but also from many outside agencies, including national laboratories, industrial partners, and other universities. Opportunities are listed on the UROP website, and distributed through various e-mails throughout the academic year. Students interested in

receiving more information and individualized assistance are encouraged to contact the UROP Office to set up an advising appointment. Through UROP's various programs, the UROP Team assists students through all phases of the research process, whether it is with proposal writing, developing research plans through project management skills, receiving grants to fund research projects, scholarly journal writing through

The UCI Undergraduate Research Journal, or presenting results of the research or creative project through the UCI Undergraduate Research Symposium.

STUDENT HEALTH CENTER

Effective Fall Quarter 2001, the Regents of the University of California instituted health insurance coverage as a condition of enrollment for all undergraduate students. This insurance is now included in your student fees and enrollment in the plan is automatic when you pay your fees. You may waive out of this plan if you can demonstrate comparable and verifiable health coverage that meets the campus' minimum standards for insurance. (Refer to "Health Insurance")

The Student Health Center is the primary care facility for students covered by the USHIP. In order to take advantage of your insurance plan, all medical care must begin at Student Health. If you need a medical service that we cannot provide, you will be referred to a qualified provider in the community. If you are a member of USHIP, the cost of your medical care will be billed directly to your insurance plan.

Students who waive out of the plan, but use Student Health, will pay at the time of service and will be given an itemized receipt they may submit to their insurance carrier for reimbursement.

This is NOT a complete list of courses students should take each year but the minimum courses necessary to continue making normal progress. Students should refer to the General Education and major specific information or the General Catalogue to find additional courses to take. Students take an average of 16 units a quarter.

After choosing a specific study abroad program, the SSUSA assists students in evaluating the coursework taken abroad (Please see the table below).

UCDC / UC SACRAMENTO ACADEMIC INTERNSHIP PROGRAMS

The UCDC Academic Internship Program is offered during the Fall, Winter, and Spring quarters. Students who intern in D.C. during the academic year combine internships with coursework or field research as full-time students. Financial aid eligibility is maintained and may also qualify for the Presidential Scholarship. Students from all majors are encouraged to apply, Juniors and Seniors with a minimum GPA of 3.0 is recommended. For more information on the UCDC Academic Internship Program, please visit: www.dccenter.uci.edu.

The UCDC Summer Internship Program sends students to Washington D.C. during the summer for experiential learning only. Each student admitted into the UCDC Summer Internship Program works closely with the Student Coordinators and Staff Advisors in preparation for the internship application and living experience in D.C. Students from all majors and class standing (including Graduating Seniors) are encouraged to apply. A minimum GPA of 2.5 is recommended.

The UCI Sacramento Internship Program allows students to experience and explore a wide variety of career opportunities available to them with the convenience of staying close to home (or without traveling out of state) this summer. It is an especially great program for those who are interested in public policy at the state level and want to be exposed to California laws and decisions up close. However, the internship opportunities are not limited to strictly political experiences. This Program is best for students who are looking for an Internship during the summer if they do not want to miss an academic quarter. It is also not an academic program so there will be no coursework involved, however students may be able to receive units for their academic school. For more information, please visit: www.statecap.uci.edu.
