

STUDY OF LAW PROGRAM

Session I: June 24 - August 1, 2013

Discover whether a law career is right for you!

Explore a career in law by enrolling in a specialized six week summer academic program that gives you a “taste” of the law school experience and a deeper understanding of U.S. law and the legal profession.

Students enroll in two courses:

Political Science 71A*:
Introduction to Law (4 units)

*If you have taken POL SCI 71A at UCIrvine, you are only required to enroll in POL SCI 79.

Political Science 79A:
The Study of Law (4 units)

- Acquire valuable insight into legal education while gaining communication, reasoning and critical thinking skills.
- Discover what it takes to apply to law school and what it is like once enrolled.
- Gain hands-on experience through preparation of “case briefs” and oral arguments.
- Interact with guest speakers and panels composed of lawyers and professionals working in a variety of law related fields.

Undergraduate students of all majors, as well as visiting international and high school students are invited to enroll in this program.
